CHA Project #: 075801

Dear Tim:

On behalf of our client, City of Savannah, we are submitting Specific Development Plan documents for the above referenced project. The project consists of constructing a temporary public Safety Station, including two trailers (for both a temporary fire station and police sub-station), a metal building with concrete slab, and associated parking. We request that these plans be examined by the City of Savannah for conformance with the applicable requirements. Please find enclosed the following documents:

- A. One (1) full size PDF copy of the Specific Developments Plan dated 6/30/2023,**
- B. City of Savannah Full Site Checklist,**
- C. City of Savannah Site Development Permit Application,**
- D. City of Savannah Water and Sewer Checklist,**

Please distribute the enclosed documents, and if all is in order issue final approval of the referenced project. If you have any questions or need additional information, please contact Donna Blalock at (912) 721-6999.

Sincerely,

**CHA Consulting, Inc.**
