DEMOLITION PERMIT APPLICATION

Requirements

***** The following items must be completed before a demolition permit can be issued. *****

- Sewer Lateral Sever & Cap at property line:** For full demolition of a structure, a Georgia licensed plumber must cap the sewer lateral. The plumber must sever the lateral and then call for an inspection from Development Services at (912) 651-6530. To coordinate the collection of the water meter, the plumber is required to contact the Water Department at (912) 651-6593.
- Park & Tree Dept.:** The contractor must contact the Park and Tree Department at (912) 651-6610 to review tree protection procedures.
- Rodent Certification:** Obtain a certification from a licensed exterminator indicating rodent extermination services have been initiated at least two weeks prior to the planned demolition.
- EPD:** Written notification to the Georgia Environmental Protection Division (EPD) 10 days prior to demolition.
- Permit Fee must be paid: \$40 per floor for each structure removed or \$8 per \$1,000 of contract value, whichever is greater.
- Proper documentation must be filed with Municipal Archives for buildings older than 40 years of age.

Note: For commercial demolition, a site development permit may be required.

Applicant Certification

I hereby certify that I have answered all of the questions contained herein and know the same to be true and correct. All work performed under this permit must comply with State law and local ordinances. Further, I understand that any permit issued based upon false information or misrepresentation provided by the applicant will be null and void and subject to penalty as provided by law and ordinance.
