To the Mayor and Alderman

City of Savannah

Please accept this letter from Campbell & Sons Funeral Home that we do NOT support any action that would add the building currently leased at 124 W. Park Avenue as a contributing structure in the Victorian District. In the event that we elect to stay in this location, the building is in need of extensive repairs and improvements and making this a contributing structure would make it more difficult to maintain our operations in this location and would severely impact the options we have available to serve our clients in the future.

We would like to go on record and state that Campbell & Sons Funeral Home fully supports the efforts of the building owner as he explores future uses for this location and we are working collaboratively with him as we contemplate our future needs.
