ADOPTION OF RESOLUTION FOR GATEWAY GARDENS DEVELOPMENT AGREEMENT AND LOW INCOME HOUSING TAX CREDIT APPLICATION

Director of Real Estate Development and Preservation Rafaella Nutini reminded the Commissioners that in June 2024, the Housing Authority of Savannah received from Paces Preservation Partners, LLC a proposal for the development of affordable housing units for seniors on vacant parcels of the former Edgar Blackshear Homes; a development to be known as Gateway Gardens. On December 10, 2024, the HAS Board of Commissioners executed a Resolution authorizing HAS to negotiate terms of a Development Agreement with Paces, and to initiate the Restore-Rebuild transaction with HUD to develop the proposed Gateway Gardens.

Ms. Nutini shared that Paces is currently preparing the submission of a Low Income Housing Tax Credit (LIHTC) application for the proposed development. She provided an overview of the terms of the Development Agreement, Option to Ground Lease and the components of the LIHTC application to the move project forward.

A discussion followed. Commissioner Gresham made a motion, seconded by Commissioner Peavey-Guzman, to adopt Board Resolution No. 05-25-01. The resolution, which was unanimously adopted, immediately follows these minutes.

ADOPTION OF RESOLUTION SUPPORTING SUSTAINABLE FELLWOOD I LOW INCOME HOUSING TAX CREDIT APPLICATION

Ms. Nutini continued by stating the nature of the Housing Authority of Savannah's connection with Sustainable Fellwood I, as the ground lease holder and administrator of project-based voucher units at the property. Sustainable Fellwood I was partially financed by the Low Income Housing Tax Credits, which have now reached the end of their initial compliance period. Ms. Nutini spoke about the Housing Authority of Savannah's

commitment to the owner's resyndication of the property and the pending LIHTC application. The Commissioners expressed their support. Commissioner Holland moved to adopt Board Resolution No. 05-25-02, which follows the minutes. Commissioner Gresham seconded the motion and it passed unanimously.

ADOPTION OF REVISED PERSONNEL POLICY

Director of Human Resources Shannell Hardwick addressed the Board regarding proposed changes to the *HAS Personnel Policy*. Commissioner Gresham made a motion, seconded by Commissioner Peavey-Guzman, to adopt Board Resolution No. 05-25-03, approving the revised Personnel Policy, with one noted change: Page 56, last sentence revised to "*The Executive Director reserves the right to change this program, with notice.*" The motion passed unanimously, and the resolution follows these minutes.

ADOPTION OF SECTION 8 MANAGEMENT ASSESSMENT PROGRAM CERTIFICATION

Interim Director of Assisted Housing Programs Sandy Glicken explained that housing authorities are graded by HUD on their Housing Choice Voucher Program's performance. By using the Section 8 Management Assessment Program (SEMAP), HUD can assess the Housing Authority's performance based on fourteen indicators that show whether or not families are being assisted according to federal regulations. This information is electronically submitted to HUD on Form HUD-52648 on an annual basis.

Ms. Glicken answered questions of the Commissioners and following the discussion, Commissioner Gresham made a motion to approve the Section 8 Management Assessment Program Certification and to authorize the Chairwoman and Executive Director to execute the form, and accompanying Board Resolution No. 05-25-04. Commissioner Holland seconded the motion and it was unanimously approved.

CONTRACT FOR REAL ESTATE DEVELOPMENT CONSULTANT

At the April 10, 2025 postponed regular meeting, the Board of Commissioners awarded a contract for real estate development consulting services to EJP Consulting Group, LLC with the modification of the resolution to include the total contract value amount and not-to-exceed term amounts to reflect the full contract value.

Ms. Nutini reported to the Board that the amended resolution was being brought for adoption to correct the previous resolution brought in April and to include this information. Commissioner Gresham made a motion, seconded by Commissioner Holland, to adopt the revised Board Resolution No. 04-25-02, and it passed unanimously. The resolution will follow the minutes of the April 10, 2025 postponed regular meeting.

CHANGE OF REGULAR BOARD OF COMMISSIONERS MEETING DATE

In accordance with the Housing Authority's By-Laws Article II. Section 2, "regular meetings

of the Authority may be held at such time and place as may be designated by a majority of the Commissioners at any meeting.” Chairwoman Levett stated that Commissioners had been polled to determine consensus to change the regular meeting date and called for a motion. Commissioner Gresham moved to change the regular Board of Commissioners meeting to the second Wednesday of the month at 12:15 p.m. The motion was seconded by Commissioner Peavey-Guzman and was unanimously approved.

EXECUTIVE DIRECTOR’S REPORT

Ms. Hester provided a report to the Commissioners. Report highlights included:

- The U. S. Department of Housing and Urban Development and the General Services Administration has reported a collaborative effort to move its Headquarters, currently located in Washington, D.C.
- HAS received its Capital Fund Program award in the amount \$2.963 million
- The submission of the Yamacraw Village Demolition application is facing another delay. New regulations related to Floodplain Management are triggering the need for public notices to be issued to evaluate strategies for minimizing the impact of the demolition on the existing floodplain.

Ms. Hester requested Ms. Nutini, Director of Development and Preservation, to provide further clarification. Ms. Nutini presented a map to the Commissioners showing a portion of Yamacraw located in the X (500-year) floodplain zone, which requires HAS to conduct an 8-step process for ensuring compliance with floodplain management regulations. HAS anticipates this eight-step process to delay the conclusion of the Environmental Review report at least sixty days.

- Savannah Mayor Van R. Johnson, II conducted a Family Self-Sufficiency Program job skills training and workshop for HAS residents on May 9th
- Ms. Hester closed her report by announcing that a residents’ Fashion Show will be held at Horace Stillwell Towers during the month of June, date still pending.

There being no further business, the Chairwoman called for a motion to close the meeting. The motion to close was made by Commissioner Gresham and seconded by Commissioner Holland. The Chairwoman adjourned the meeting at 1:41 p.m.

RESIDENT SERVICES

Family Self-Sufficiency (FSS) Participant Spotlight: Ms. G – A Journey of Resilience and Determination

This month, HAS is proud to recognize Ms. G, a resilient and inspiring participant in the Family Self-Sufficiency (FSS) program and a resident of Yamacraw Village. Ms. G joined the FSS program in December 2019. Over the past six years, she has overcome tremendous personal and financial challenges with courage, determination, and an unwavering commitment to her family.

When Ms. G began her FSS journey, she had zero income. Today, through persistence and hard work, she is gainfully employed with FedEx Ground and earns an annual salary of \$39,756. She currently has \$5,105 in her escrow account and escrowing \$417 monthly. This remarkable transformation is a testament to her dedication to building a stable and sustainable future for her family.

Housing Choice Voucher (HCV) Homeownership Program

The homeownership program is pleased to announce its fifth homeowner in 2025. The homeowner successfully purchased a 4-bedroom, 2-bathroom home in the Liberty City/Summerside neighborhood of Savannah, GA, on May 5, 2025. The sale price was \$252,000.

The family of five, which consists of a grandparent raising grandchildren, with one family member with a disability, enrolled in the program in 2015. At the time of their initial application, the family's Fair Isaac Corporation (FICO) score was not in the range needed to become a homeowner. The family was provided with a homeownership achievement plan, which included opening a secure revolving credit account and paying off the most recent derogatory accounts.

A reassessment of the homeownership application completed in 2022 indicated progression. The FICO score increased significantly to 618, still below the minimum requirement of 620, representing a substantial achievement for the family. A review of the credit report revealed that the family had paid off all but one derogatory account and established several lines of credit that were in good standing. However, the ratio of the balance to the limit on the revolving accounts remained too high. The family was advised to make adjustments on all credit cards to 30 percent and to maintain low utilization for at least six months.

In February 2024, the household composition increased with the addition of grandchildren, making the goal of homeownership a top priority. A review in December 2024 revealed an increase in the FICO score. The family was preapproved for a conventional loan of \$215,000 by Truist Bank on March 13, 2025. Additionally, the City of Savannah's Dream Maker Program approved the family for \$35,000 in down payment assistance.

Upcoming Closing:

The Homeownership Program currently has two families under contract to complete the purchase of their homes.

- A family of five was initially approved for a loan of \$255,000 with a 6.9% interest rate in July 2024. The potential homeowner reduced their debt-to-income ratio, which increased their purchasing power to a \$320,000 Federal Housing Administration (FHA) loan with a 6.5% interest rate on May 27, 2025. This family was scheduled to close on May 19, 2025; however, due to additional repairs, the closing date was postponed until the completion of the repairs.

- A disabled family of one entered into a purchase and sale agreement on April 30, 2025, for a newly constructed home. The sale is tentatively scheduled to close on September 25, 2025. The family was preapproved for a conventional loan of \$160,000.00 with an interest rate of 5.75%.

Community Connections - Giving the Gift of Clothing

Having access to quality clothing may not be an easy task for many of our residents in public housing. For many of us who may be feeling a bit insecure or down on our luck, a new outfit or a simple wardrobe change can boost our confidence and self-esteem.

The Housing Authority of Savannah continues to seek partnerships to empower and grow our public housing neighborhoods. HAS empowerment efforts include increasing opportunities for residents; promoting fair housing practices; and engaging community partners in neighborhood activities.

Special thanks to the effort of Mr. Robert DeLoach and his team at The Factory 2.0 for their partnership and commitment to the Housing Authority of Savannah. The Factory 2.0, established in 2018, has been satisfying its mission of preparing students for sustainable empowerment and success in life, academics, and the workplace. These efforts are achieved by providing career exposure, academic and professional development, mental health awareness, and leadership training. Founder and Executive Director, Robert DeLoach Jr., desires to ensure that students are exposed to multiple professional and athletic arenas where many of his past and present students have thrived. DeLoach exclaims "Young people are talented and gifted in many areas. Let's prepare them to be dominant leaders in all those professional environments!"

Through the effort of Mr. DeLoach, a neighborhood clothing giveaway was held Saturday May 3, 2025, in the Kayton Homes Community. The event was held behind the management building located at 624 West Gwinnett Street. With no limits established, the residents were allowed to "take all that they could use." There was a surplus of clothing, shoes, and accessories available, and the event was well received. Many residents came out and were able to find items for the entire family. One resident shared, "this act of kindness is a blessing for me and my family, it is much needed and greatly appreciated!"

Events such as this create heartwarming moments for both the givers and the receivers. Stories of joy, gratitude, and connection can be shared, highlighting the impact of generosity. Special thanks to Mr. DeLoach and his team of volunteers.

Disasters Planning for Seniors- Hurricane Season Preparedness

The 2025 Atlantic Hurricane Season is here. Hurricane season officially began on Sunday, June 1, 2025, and will continue through Sunday, November 30, 2025. The National Oceanic and Atmospheric Administration (NOAA) predicts up to nineteen named storms, with six forecasts to become hurricanes.

The Housing Authority of Savannah continues all efforts to remain proactive. As in past years, the HAS staff along with the Chatham County Health Department are working diligently to identify senior residents with special healthcare needs that lack the ability and resources to leave their homes to secure emergency shelter. Staff continue to work directly with each resident to provide hand-over-hand support services. These services include completing a Coastal Health District Hurricane Registry Applications (if applicable); Identifying and confirming emergency contacts; and Solidifying proposed

emergency evacuation plans. Each of our senior residents will receive one-on-one assessment of emergency preparedness needs and the development of an evacuation strategy.

Property Management Report

The Housing Authority of Savannah (HAS) manages a total of six properties, among which five are conventional public housing properties (Yamacraw Village, Frazier Homes, Stillwell Towers, Patterson Terrace and Single Family Homes) and one is a Project-Based Voucher (PBV) property converted through the Rental Assistance Demonstration Program (Kayton Homes). Table 1 below provides information on current occupancy, collections, recertifications, evictions and work order management for these properties. These six properties managed by HAS have a combined total of 1,061 units that are set aside for families with incomes at or below 60% of the Area Median Income (AMI).

Residents of HAS-managed properties are selected based on program-specific eligibility criteria, after applying and joining a waitlist. As of May 28, 2025, there are 3,103 applicants in the general Public Housing waitlist, 109 applicants in the waitlist for Stillwell Towers (specific to senior and disabled persons), and 738 applicants in the PBV-specific waitlist for Kayton Homes. The waitlist for Stillwell Towers has been opened since February 18, 2025. A total of 52 interviews were conducted by the HAS Occupancy team last month to ensure applicants are screened and offered units of proper size.

HAS received authorization to place several units under modernization in HUD’s Inventory Management System. These units have authorization to remain vacant due to modernization plans and/or administrative use, these are in Yamacraw Village (upcoming demolition), Frazier Homes (plumbing repairs), Patterson Terrace (foundation repairs) and Stillwell (administrative).

The Property Management Department of the Housing Authority of Savannah (HAS) is responsible for operating affordable housing units that are set aside to families of low and moderate incomes, while maintaining strong communities and ensuring compliance to regulatory agencies.

The Housing Choice Voucher Program allows housing authorities to assist families to obtain rental housing from private property owners. Housing can be apartments, houses, townhomes or duplexes. The Shelter Plus Care Program provides vouchers to people who are homeless and meet at least one of three other criteria: HIV/AIDS, chronic mental disability, and/or substance abuse.

The Moderate Rehabilitation Program provides housing to homeless men at Duffy Street (Single Room Occupancy). Portables are vouchers in which the participant has moved from our jurisdiction to another area within the US and HAS is paying their assistance to another housing authority. For utilization purposes, they are counted as ours and included in the "Vouchers" total. The VASH vouchers combine HCV rental assistance for homeless veterans with case management and clinical services provided by the Department of Veterans Affairs at its medical centers. The local VA refers eligible VASH families to HAS. I. Development

EAST SAVANNAH GATEWAY TRANSFORMATION

The East Savannah Gateway is the area bounded by President Street on the north, Pennsylvania Avenue on the east, Henry Street on the south, and Broad Street on the west, for which HAS received a Choice Neighborhood Planning Grant that culminated into a [complete Transformation Plan](#). A total of 478 new and 280 rehabilitated units are now present in the East Savannah Gateway, on land owned by the Housing Authority of Savannah (HAS).

The presence of vacant parcels of land owned by HAS in East Savannah is a consequence of previous demolition activity, totaling *18 acres* currently available for redevelopment. HAS is currently evaluating redevelopment options for these properties, which include new projects arising from a recent Faircloth-to-RAD solicitation which is described below, in greater detail.

Other pieces of a successful transformation strategy are education and recreation. Committed to a holistic revitalization approach, HAS is furthering the development of an Early Childhood Learning Center (ECLC) on a portion of the former Robert Hitch Village site. After receiving approval from its Board of Commissioners and HUD for entering a ground lease with Chatham County, HAS celebrated the ECLC groundbreaking on December 3, 2024. The ECLC is a SPLOST-approved (Special Purpose Local Option Sales Tax) project funded by Chatham County and the City of Savannah to provide enrichment programs that will serve children 0 to 3 years of age. **Construction is expected to be completed by early 2026.**

The Real Estate Development function of the Housing Authority of Savannah (HAS) seeks to preserve, improve, and develop real estate assets through inspired consultation and effective collaboration with HAS staff, residents, public and private partners, and community stakeholders.

RESTORE-REBUILD INITIATIVE

HUD's Restore-Rebuild Program was previously known as "Faircloth-to-RAD". Launched by HUD in 2021, the program authorizes public housing authorities to develop public housing units with a pre-approval to be converted to project-based, Section 8 assistance. The development of public housing units is allowed within the Agency's Faircloth Limit, a cap imposed by the 1998 Faircloth Amendment: the number of public housing units a public housing authority is authorized to own and operate cannot exceed the number of units the authority owned and operated in October 1999. This requirement results in HAS's current ability to develop 757 additional public housing units in Savannah.

With the goal of expanding the supply of affordable housing units, on December 27, 2022, HAS issued a Request for Qualifications (RFQ) seeking proposals from qualified Developers and Owners of multifamily rental units interested in developing Restore-Rebuild units (aka Faircloth-to-RAD). The solicitation closed on June 30, 2024, and responses were evaluated by HAS staff. In December 2024, HAS received authorization from its Board of Commissioners to negotiate terms of a Development Agreement with Paces Preservation Partners, and in May 2025 final terms were approved. The partnership between HAS and Paces contemplates development of seventy-eight (78) senior units on vacant parcels of the Blackshear Homes footprint. The units are expected to be a mix of Restore-Rebuild units for seniors of very low-income, and other units financed by the Low Income Housing Tax Credit program (LIHTC), for those at or below 80% of the Area Median Income (AMI). The application for the competitive LIHTC program was submitted by HAS and Paces in **May 2025**. Award results should be known by November 2025.

II. Preservation and Modernization

CAPITAL FUND PROGRAM

Capital Funds are provided annually by the U.S. Department of Housing and Urban Development (HUD) to the Housing Authority of Savannah (HAS) for development, modernization, and management improvements related to public housing properties. Every five years, HAS is tasked with submitting to HUD a plan describing in detail how it plans to utilize Capital Funds, which includes a series of physical improvement projects to be implemented in the next five-year cycle. To produce a *Five-Year Action Plan (5YAP)* congruent with the properties' needs, HAS contracts third-party inspection companies to conduct complete Physical Needs Assessments (PNA) that describe what components of site, buildings and units will need to be repaired and/or replaced over the next twenty years of operations. PNAs also highlight the properties' critical needs and provide a cost estimate for the work. Once HAS receives PNA reports, the information is analyzed and combined with other inspections scores and input provided by staff, residents, the Board of Commissioners, and the public, before the 5YAP is submitted to HUD. The current 5YAP for the 2024 – 2028 period was approved by HUD on **November 15, 2024**. The new 5YAP will ensure critical and high-priority needs of HAS conventional public housing properties are addressed.

Capital Funds are allocated to HAS annually and distributed across different Budget Line Items, as presented in Table 1 below, which reflects current obligated and expended amounts of active capital fund grants:

Table 1: Active Capital Fund Grants

Obligation of Grant Year 2018 did not happen by the deadline of May 28. The grant has been reserved for accessibility improvements, and the solicitation for contractors did not yield a successful result until May 27. The contract for accessibility improvements is expected to be executed on or around June 11, 2025, and will take obligation of this grant above the 90% requirement. HAS submitted an extension request to HUD on May 13, which is currently being processed.

Grant 2024 is expected to be obligated by the deadline of May 2026 in association with upcoming solicitations for breezeway repairs, installation of new security cameras, and other improvements to the public housing portfolio.

Grants 2020 and 2022 are expected to be disbursed by the deadlines of March and May 2026 in association with the completion of projects for window replacement and electrical upgrades at Frazier Homes.

Grants 2019 and 2021 have been fully disbursed.

These are ongoing modernization projects at HAS public housing properties:

Capital Improvement Project	Scope	Contract Amount (inclusive of change orders)	Contract Execution	Estimated Completion
Stillwell Towers Elevator Modernization	Replacement of all existing elevator equipment with new energy-efficient mechanical, electrical, and technological systems	\$ 1,519,483	August 2022	<u>Completed in May 2025</u>

FRAZIER HOMES: PRESERVATION EFFORTS

The 2019 PNA of Frazier Homes had identified components in need of immediate replacement, including several electrical components such as power switches, outlets, fire and carbon alarms, HVAC systems, and external lights. Embracing a preservation strategy, HAS initiated several projects to improve structures and systems at Frazier. In November 2022 HAS contracted Intex Construction for installation of new external lights. The \$336K contract was partially paid with a \$114K *Safety and Security Grant* awarded to HAS in September 2022. Following completion of the external lights project, HAS was awarded a \$1.8 million HUD grant for completion of remaining items in the electrical scope of work. In February 2023, HAS executed a \$4 million contract with Mid-Atlantic, under which several electrical parts and HVAC units have been replaced. The second phase of this project started in January 2025 including replacement of external meter packs in all residential buildings. Change orders added to the original contract have raised the project cost to approximately \$4.7 million. On January 9, 2024, the Board of Commissioners approved a \$4.9 million contract with Gibraltar for replacement of Windows and Security Screens in Frazier and Single-Family Homes (\$4.1 million allocated exclusively to Frazier). Two change orders in August and October 2024 raised the project's cost to \$5 million. In summary, a total of \$8.8 million has been invested in Frazier since 2022, contributing to the improvement of electrical and air conditioning systems, as well as window structures.

Other projects in the pipeline for Frazier Homes are breezeway and accessibility improvements. **In July 2024, HAS applied to HUD's *Capital at Risk* grant program, aiming to receive an additional \$3 million capital fund**

award for covering costs of improving breezeways. On December 20, HAS received HUD's approval. A contract for breezeway improvements is expected to be executed by December 2026.

ACCESSIBILITY IMPROVEMENTS

In August of 2023, HAS executed a contract with Bureau Veritas, an Architecture and Engineering consultant specialized in regulations under the Americans with Disabilities Act (ADA), for production of an ADA Transition Plan aiming to identify and remove barriers to accessibility, currently present at HAS properties and programs. Bureau Veritas has successfully completed the accessibility inspection of HAS properties, public surveys, and meetings with HAS staff and stakeholders. A public hearing was held on **November 6, 2024**, for presentation of a Draft Transition Plan, which gave residents, staff, and a total of fourteen important advocacy groups an opportunity to review the Plan and provide comments and suggestions. A [Final ADA Transition Plan](#) was made publicly available on March 24, 2025, and remained available for **public review until April 25, 2025**, through the HAS website, and physically at the HAS Neighborhood Resource Center. The Plan provides HAS a roadmap for ensuring compliance with ADA standards in the most economical way. An Invitation for Bids (IFB) was issued in April 2025 for selection of a contractor that will correct Accessibility issues at Stillwell Towers, Patterson Terrace, and Single Family Homes, as the initial Phase of HAS Accessibility Improvement project. A contract is expected to be awarded in June 2025.

THE PINES AT GARDEN CITY

The Pines at Garden City is a 94-unit affordable housing development located in Garden City, GA. In October 2023, Vitus and HAS (through its affiliate Savannah Community Builders) submitted to the Georgia's Department of Community Affairs (DCA) an application for Low-Income Housing Tax Credits (LIHTC). HAS is pleased to announce the Pines at Garden City was awarded LIHTC, which along with bond proceeds is serving as the main funding source for this renovation.

On September 10, 2024, the HAS Board of Commissioners approved an Issuance Resolution declaring HAS's commitment to issue tax-exempt housing revenue bonds to the Seattle-based Developer Vitus Group, for the purpose of acquiring and renovating the property. Savannah Community Builders, a HAS affiliate, is expected to participate in the ownership of the Pines as a minor member of its general partner, and co-developer. **The deal successfully closed on January 29, 2025**, and rehabilitation is underway.

III. Repositioning

When Capital Funds become insufficient to cover the needs of a public housing property, and modernization becomes infeasible due to high cost or obsolescence of structures, HUD makes available *Repositioning tools* that assist public housing authorities in obtaining other sources of funds through the conversion of units to the Section 8 platform under the Rental Assistance Demonstration Program (RAD) and through Demolition/ Disposition and redevelopment of the site, as authorized under 'Section 18'. HAS has repositioned several of its public housing properties utilizing a mix of demolition and site redevelopment (i.e. Garden Homes, Fellwood Homes, and Robert Hitch Village), and RAD conversions (i.e. Fred Wessels, Edgar Blackshear and Herbert Kayton Homes), and continues to plan the strategic repositioning of properties in accordance with their physical conditions and the need to leverage other agency funds or third-party sources to complete all necessary improvements

YAMACRAW VILLAGE: SECTION 18, DEMOLITION AND DISPOSITION APPLICATION

Five Year Action Plans also assist HAS in identifying obsolete properties where rehabilitation is not cost effective. According to the 2019 and 2023 PNAs, Yamacraw Village reached physical obsolescence and could receive HUD approval to be demolished. Since the approval of a Repositioning Plan by the Board of Commissioners on June 9, 2020, an application for Demolition and Disposition of Yamacraw Village is being prepared by HAS. The application has several parts and, although a majority is complete, submission is pending due to necessary steps being undertaken for completion of an Environmental Review. In recent years, the property was subject to a Section 106 (Historic Preservation) review, which resulted in the successful execution of a Memorandum of Agreement between HAS, the City of Savannah, and the State Historic Preservation Office (SHPO) in April 2025. Currently, the Environmental Review is requiring HAS to take additional steps for compliance with floodplain management requirements. HAS will continue to update residents and partners regarding the timeline for submission of Yamacraw's application for demolition, which now awaits the completion of the Environmental Review report containing floodplain documentation. Once completed, the City of Savannah will publish the report and wait for issuance by HUD of form 7015.16, Authorization to Use Grant Funds. HAS is conducting quarterly Consultation meetings with Yamacraw Village residents and community advocates.

HAS's intention is to develop improved housing units on site and work with stakeholders and community partners for creating a holistic redevelopment plan.

IV. Financing

RENDANT APARTMENTS

BOND INDUCEMENT RESOLUTION

RECOMMENDED ACTION:

Approve the inducement of tax exempt multifamily housing revenue bonds in a total amount not to exceed \$16 million in support of the rehabilitation of an affordable housing project located in Savannah, GA.

BACKGROUND:

Georgia law authorizes housing authorities to issue tax exempt housing revenue bonds to finance, in whole or in part, the cost of the acquisition, construction, reconstruction, alteration or repair of eligible housing projects, which includes apartments for persons of low income. GBG LIHTC Development, LLC, is an affordable housing developer from Indianapolis, IN; Gene Glick Company, Inc. (Glick), its managing member, is one of the largest privately held real estate management and development firms in the country and has participated in several successful bond transactions. Glick is known for its connection to the Glick Housing Foundation, a 501(c)(3) public charity focused on acquiring and preserving affordable housing.

Glick owns Rendant Apartments (Rendant) located at 1030 Shawnee Street, Savannah, GA, a 129-unit multifamily development comprised of ten (10) apartment buildings containing units of one and two bedrooms, all covered by a Section 8 Housing Assistance Payment (HAP) contract. Sixty-four (64) of the units are restricted to seniors. It is Glick's plan to fully rehabilitate the property, which was built in 1980. The total estimated cost of rehabilitation is approximately \$29.9 million, with scope that includes HVAC systems, appliances, plumbing fixtures, new flooring, kitchen cabinets, windows, bathroom vanities, smoke detectors, and accessibility improvements, among other items.

Glick has filed an inducement letter application seeking HAS to issue housing revenue bonds in an amount not to exceed \$16 million, the proceeds of which will be used in combination with low-income housing tax credits (LIHTC) to fund the rehabilitation of Rendant Apartments. The rehabilitation will not cause change in the rental structure of the project, and all units will remain affordable for persons whose income is equal to or less than 60% of the area median income. Temporary relocation of tenants to hotels is expected on a phased, rotating basis. Glick seeks an inducement of HAS tax-exempt housing revenue bonds while plans to apply for 4% tax credits in October of 2025.

ANALYSIS:

The units in the Rendant Apartments community are not only restricted to individuals of low and moderate incomes, but are also set aside for seniors. Hence, the renovation will ensure preservation of housing assistance in a community located across the Armstrong Campus of Georgia Southern University, within a mile from St. Joseph's Hospital and a Publix store, and

within two miles from Largo-Tibet and Windsor Forest Elementary Schools. The location and characteristics of Rendant support inclusiveness, self-sufficiency, and well-being of seniors and families.

LEGAL CONSIDERATIONS:

The Authority's Legal Counsel has been actively involved in reviewing the Inducement Resolution and will be present to discuss any further legal issues. A Bond Committee will review the details of Glick's submission prior to adoption of the Inducement Resolution.

FINANCIAL AND OTHER CONSIDERATIONS:

The inducement letter would constitute a declaration of HAS's official intent to issue housing revenue bonds. The bonds are non-recourse bonds meaning that HAS is not liable for any obligation on the bonds and the bonds are secured by the rents and revenues generated from the development. The bonds are sold to investors and through a third independent party the proceeds from the sale are lent to the developer with the purpose of financing rehabilitation.

BOARD CONSIDERATION AND ACTION:

The staff recommendation is to adopt the Board Resolution No. 06-25-01: Inducement Letter Resolution, for the purpose of financing the rehabilitation of Rendant Apartments.

RESOLUTION 06-25-01 OF THE HOUSING AUTHORITY OF SAVANNAH DECLARING ITS INTENTION TO ISSUE TAX EXEMPT MULTIFAMILY HOUSING REVENUE BONDS OR NOTES IN AN AMOUNT NOT TO EXCEED \$16,000,000 TO ASSIST IN THE FINANCING OF THE PROPOSED ACQUISITION, REHABILITATION AND EQUIPPING OF AN APPROXIMATELY 129-UNIT MULTIFAMILY HOUSING RENTAL PROJECT TO BE KNOWN AS RENDANT APARTMENTS; ITS INTENT TO REIMBURSE CERTAIN PROJECT COSTS INCURRED WITH THE PROCEEDS OF A FUTURE TAX-EXEMPT FINANCING ON BEHALF OF THE HEREINAFTER DEFINED BORROWER RELATING TO A MULTIFAMILY HOUSING RENTAL PROJECT; AUTHORIZING THE EXECUTION OF AN INDUCEMENT LETTER; AND FOR RELATED PURPOSES.

WHEREAS, the Housing Authority of Savannah (the “Issuer”) has been duly created and is organized pursuant to and in accordance with the provisions of the Housing Authorities Law, Official Code of Georgia Annotated, Section 8-3-1, *et seq.*, as amended (the “Act”), and an activating resolution of the Mayor and Aldermen of the City of Savannah, Georgia adopted on December 22, 1937, and is now existing and operating as a public body corporate and politic of the State of Georgia (the “State”); and

WHEREAS, pursuant to the laws of the State, particularly the Act, the Issuer is authorized to carry out the public purpose described in the Act by issuance of its revenue bonds or notes for the purpose of financing the acquisition, rehabilitation and equipping of a multifamily housing project located in Savannah, Georgia; and

WHEREAS, the Issuer has been informed by representatives of Rendant Housing, LP, an Indiana limited partnership, together with its predecessors, successors, assigns, affiliates and/or related entities (the “Borrower”), that the Borrower plans to acquire, rehabilitate and equip an approximately 129-unit multifamily housing rental project located at 1030 Shawnee Street, Savannah, Georgia 31419 (the “Project”) and that the availability of revenue bond financing is an important factor under consideration by the Borrower in determining the feasibility of the acquisition, rehabilitation and equipping of the proposed Project from a financial standpoint; and

WHEREAS, it is estimated by the Borrower that the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project will require tax exempt bond or note financing in an aggregate amount not to exceed \$16,000,000 (the “Bonds”) with respect to overall expenditures currently estimated at approximately \$29,863,043; and

WHEREAS, after careful study and investigation of the nature of the proposed Project the Issuer has determined that, in assisting with the financing of the acquisition, rehabilitation and equipping of the proposed Project, the Issuer will be acting in furtherance of the public purposes for which it was created, and that the Issuer has the power and authority to do so; and

WHEREAS, the Issuer has further determined that the most feasible method of financing the proposed Project is for the Issuer to issue the Bonds for that purpose and to loan the proceeds of the Bonds to the Borrower to enable the Borrower to acquire, rehabilitate and equip the proposed Project pursuant to a financing agreement or agreements in which the Borrower will agree to make timely payments in amounts sufficient to pay the principal of, premium, if any, and interest on the Bonds; and

WHEREAS, the Borrower has requested that the Issuer indicate its willingness to issue the Bonds to finance the proposed Project so that said planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project may move forward; and

WHEREAS, the Issuer has determined that it is in the best interest of the inhabitants of the area served by the Issuer, and the inhabitants of the City of Savannah, Georgia (the “City”), that the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project move forward without delay; and

WHEREAS, the Issuer hereby desires its official intent, pursuant to Section 1.150-2 of the Treasury Regulations, to reimburse the Borrower for such capital expenditures with the proceeds of the proposed issuance of the Bonds;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Housing Authority of Savannah and **IT IS HEREBY RESOLVED** by the same authority, as follows:

1. The Issuer does hereby find that the proposed Project will provide safe and sanitary dwelling accommodations for persons of low and moderate income for the public good and the general welfare of the City, Chatham County, Georgia (the “County”) and the State.

2. The Issuer does hereby declare that it intends to authorize the issuance of the Bonds under and in accordance with the Act and the applicable laws of the State and the United States of America in an aggregate principal amount not to exceed \$16,000,000, which is estimated to be the amount necessary to finance a portion of the cost of the proposed Project and the expenses incidental to the issuance of the Bonds, upon such terms and conditions as may be agreed upon by the Issuer, the Borrower and the purchaser of the Bonds.

3. In order to indicate the Issuer’s willingness to issue the Bonds in an aggregate principal amount not to exceed \$16,000,000 to finance, in whole or in part, the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project, the execution and delivery to the Borrower of an inducement letter is hereby authorized, said inducement letter to be in the form attached hereto as Exhibit A, subject to such minor changes, insertions and omissions as may be approved by the Chairman or Vice Chairman of the Issuer, and the execution of said inducement letter by the Chairman or Vice Chairman of the Issuer shall be conclusive evidence of any such approval.

4. The Borrower may, from time to time as it may deem necessary prior to the issuance of the proposed Bonds, advance funds necessary to begin the planning, design, acquisition, renovation, equipping and carrying out of the proposed Project; any such funds so advanced shall be repaid to the Borrower from the proceeds of said proposed revenue bonds when the same are issued and delivered, subject to the approval of Bond Counsel and the Issuer.

5. In adopting this resolution, it is intended by the Issuer to signify its “official intent” (within the meaning of Section 1.150-2 of the Treasury Regulations issued pursuant to the Internal Revenue Code of 1986, as amended (the “Code”)) toward the issuance of the proposed Bonds and to reimburse the Borrower for such capital expenditures with the proceeds of the proposed issuance of the Bonds, subject to the approval of Bond Counsel and the Issuer.

6. The Chairman, Vice Chairman, Secretary or Assistant Secretary of the Issuer are hereby further authorized to publish notice, conduct a public hearing, and obtain the approval of the Mayor of the City in accordance with the provisions of Section 147(f) of the Internal Revenue Code of 1986, as amended, and Section 1.147(f)-1 of the Treasury Regulations, and to take any and all further action, and execute and deliver any and all other documents as may be necessary or appropriate to authorize, issue and deliver the Bonds and to effect the undertaking for which the Bonds are to be issued.

7. The Issuer hereby approves Kutak Rock LLP as Bond Counsel to the Issuer with respect to the issuance of the Bonds.

8. This Resolution is not intended to be a binding commitment of the Issuer to issue the Bonds. The proposed financing described herein is subject to (a) public approval is obtained subsequent to the holding of a public hearing (for which reasonable notice must be given) addressing the issuance of the Bonds and the location and nature of the proposed Project as required by Section 147(f) of the Code and the applicable Treasury Regulations thereunder, (b) an allocation of volume cap is received from the Georgia Department of Community Affairs pursuant to Section 146 of the Code, and (c) compliance with the applicable provisions of Section 142(d) of the Code is documented to the satisfaction of Bond Counsel and the Issuer.

9. This Resolution shall be effective from the date hereof through December 31, 2026, subject to extension at the sole and absolute discretion of the Issuer, which extension, if granted, shall not require board approval of the Issuer and may be approved in writing by the Executive Director of the Issuer.

Rendant Housing, LP

RE: Proposed financing of a multifamily housing renovation project by the Housing Authority of Savannah for the benefit of Rendant Housing, LP, or designee thereof satisfactory to the Housing Authority of Savannah

To the Addressee:

The Housing Authority of Savannah (the “Issuer”) is informed that Rendant Housing, LP, an Indiana limited partnership, together with its predecessors, successors, assigns, affiliates and/or related entities (the “Borrower”), is considering the acquisition, rehabilitation and equipping of an approximately 129-unit multifamily housing rental project located at 1030 Shawnee Street, Savannah, Georgia 31419 to be known as known as Rendant Apartments; said project to consist of certain land, buildings, structures, equipment and related real and personal property deemed necessary or desirable by the Borrower in connection therewith (collectively, the “Project”), and that the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project will require expenditures currently estimated at approximately \$29,863,043. It is our understanding that the availability of revenue bond financing in the area served by the Issuer for the purpose of facilitating the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project is an important factor under consideration by the Borrower in determining the feasibility of the Project from a financial standpoint.

Accordingly, in order to assist the Borrower with the financing of the proposed Project and to induce the Borrower to undertake the Project, and in order thereby to carry out the public purposes for which the Issuer was created, we hereby make the following proposals:

1. The Issuer, if requested by the Borrower, subject to all conditions being satisfied, will issue its revenue bonds or notes in one or more series in an aggregate principal amount not to exceed \$16,000,000 (the “Bonds”) for the purpose of paying the costs of the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project. Any advances made by the Borrower for acquisition of the proposed Project or for the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project may be repaid to the Borrower from the proceeds of the sale of the Bonds when the same are issued and delivered,

Housing Authority of Savannah/Rendant Housing Inducement Resolution

including any advancements made during the 60-day period preceding the dated date of this letter, subject to the approval of Bond Counsel and the Issuer.

2. The terms of the Bonds (maturity schedule, interest rate or rates, denominations, redemption provisions, etc.) will be determined by the Borrower and the purchaser or purchasers of the Bonds in terms satisfactory to the Issuer.

3. The terms and provisions of the financing agreement to be entered into between the Issuer and the Borrower (the “Agreement”) shall be substantially in the form generally utilized in connection with such financial undertakings, as agreed upon by the Issuer and the Borrower. Such Agreement shall contain, in substance and without limitation, the following provisions:

- (a) The term of the Agreement will coincide with the term of the Bond issue and will provide for payment of the principal of, and the redemption premium (if any) and the interest on, the Bonds as the same become due and payable.
- (b) The Borrower will pay any taxes, assessments or utility charges which may be lawfully levied, assessed or charged upon the Borrower, the Issuer, the proposed Project or the payments derived from the Agreement if failure to pay would result in a lien or charge upon the proposed Project or the revenues of the Issuer therefrom.
- (c) The Borrower will keep the Project insured against loss or damage or perils generally insured against by industries or businesses similar to the Borrower, and will carry public liability insurance covering personal injury, death or property damage with respect to the proposed Project, but it may be self-insured to the extent permitted in the Agreement.
- (d) The Agreement shall provide that, in the performance of the agreements contained therein on the part of the Issuer, any obligations it may incur for the payment of money shall not constitute an indebtedness or a general obligation on its part of the City of Savannah, Georgia (the “City”), Chatham County (the “County”) or of the State of Georgia (the “State”), but shall be payable solely from the payments received under such Agreement or from bond proceeds, and, under certain circumstances, insurance proceeds and condemnation awards.
- (e) The Agreement shall contain an agreement providing for the indemnification of the Issuer and any corporate trustee acting on behalf of the Issuer for the benefit of the bondholders and the individual commissioners, officers, agents and employees thereof for all expenses incurred by them and for any claim of loss suffered or damage to property or any injury or death of any person occurring in connection with the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project.
- (f) The Agreement shall contain an agreement to provide that the Borrower shall pay to the Issuer a closing fee equal to \$15,000 and an amount equal to 1/8th of 1% of

the principal amount of the Bonds on the date of issuance of the Bonds and on the outstanding principal amount of the Bonds on each anniversary date of the issuance of the Bonds thereafter.

4. The Issuer will enter into a trust indenture or similar instrument with a corporate trustee and/or fiscal agent to be named by the Issuer. The trust indenture or similar instrument will pledge such Agreement and/or promissory note issued by the Borrower in connection therewith, and the amounts due thereunder, to said trustee or fiscal agent for the benefit of the holders of the Bonds, and the terms of such trust indenture or similar instrument shall be agreed upon by the Issuer, the Borrower and said trustee or fiscal agent.

5. The Issuer hereby authorizes the Borrower to proceed with the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project and the Borrower, in accepting this proposal, hereby accepts such role to act and do all things necessary and to perform all acts and agreements necessary in connection with the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project.

6. The Borrower may advance any interim acquisition or rehabilitation funds required in connection with the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project and be reimbursed from the proceeds of the sale of the Bonds when the same are issued and delivered, subject to the approval by Bond Counsel and the Issuer.

7. The Issuer will assist in the prompt preparation of the basic financing documents which must be in form and content satisfactory of the Issuer and will proceed with the validation of the Bonds in the Superior Court of Chatham County and in accordance with State law once the Issuer has approved the Bond issue.

8. Upon delivery of the Bonds, the provisions of this proposal and the agreement resulting from its acceptance by the Borrower shall have no further effect and, in the event of any inconsistency between the terms of this proposal and the terms of the basic financing documents and the bond purchase contract, the provisions of such basic financing documents and the bond purchase contract shall control.

9. If for any reason the Bonds are not issued and delivered by December 31, 2026, the provisions of this proposal and the agreement resulting from its acceptance by the Borrower shall, at the option of the Issuer to be evidenced in writing, be cancelled and neither party shall have any rights against the other and no third parties shall have any rights against either party except (a) the Borrower will pay the out-of-pocket expenses of commissioners, officers, agents and employees of the Issuer, counsel for the Issuer and bond counsel incurred in connection with the proposed Project and the proposed issuance of the Bonds and will pay counsel for the Issuer and bond counsel reasonable fees for legal services actually performed related to the proposed Project and the proposed issuance of the Bonds; and (b) the Borrower will assume and be responsible for all contracts entered into by the Issuer at the request or direction of the Borrower in connection with the proposed Project, if any.

10. The Borrower will apply for, and use its best efforts to obtain, all permits, licenses, authorizations and approvals required by all governmental authorities in connection with the planning, design, acquisition, rehabilitation, equipping, operation and use of the proposed Project.

11. The Borrower, in accepting this proposal, hereby agrees to indemnify, defend and hold the Issuer and the individual commissioners, officers, agents and employees thereof harmless against any claim of loss or damage to property or any injury or death of any person or persons occurring in connection with the planning, design, acquisition, rehabilitation, equipping and carrying out of the proposed Project. The Borrower also agrees to reimburse or otherwise pay, on behalf of the Issuer, any and all expenses not hereinbefore mentioned, including counsel fees and expenses, incurred by the Issuer in connection with the proposed Project. This indemnity shall be superseded by a similar indemnity in the Agreement, and, if the Bonds are not issued and delivered, this indemnity shall survive the termination of the agreement resulting from the Borrower's acceptance of this proposal.

12. Upon the approval by the Chairman, Vice Chairman or Executive Director of the Issuer, all rights and benefits of the Borrower under this letter and the Issuer's resolution authorizing this letter may be transferred and assigned in whole or in part to any one or more individuals, corporations, partnerships (general or limited), joint ventures or other entities which propose to acquire, rehabilitate and equip the Project with the same effect as if such individuals, corporations, partnerships, joint ventures or other entities were named as the Borrower in this letter and the Issuer's resolution authorizing this letter.

13. The Borrower, in accepting this proposal, will thereby acknowledge that for federal income tax purposes the Bonds may not be issued on a tax-exempt basis unless (a) public approval is obtained subsequent to the holding of a public hearing (for which reasonable notice must be given) addressing the issuance of the Bonds and the location and nature of the proposed Project as required by Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable Treasury Regulations thereunder, (b) an allocation of volume cap is received from the Georgia Department of Community Affairs pursuant to Section 146 of the Code, and (c) compliance with the applicable provisions of Section 142(d) of the Code is documented to the satisfaction of Bond Counsel and the Issuer.

14. Rafaella Nutini is hereby appointed as the designated hearing officer on behalf of the Issuer for purposes of holding the public hearing in compliance with Section 147(f) of the Code.

15. Kutak Rock LLP, Atlanta, Georgia, is hereby designated as Bond Counsel for the Bond financing.

16. This agreement shall inure to the benefit of and be binding upon the Borrower and the Issuer and their respective legal representatives, successors and assigns.

If the foregoing proposal is satisfactory to you, you may so indicate by having the following acceptance executed by a duly authorized representative of the Borrower and returning an original

to the Issuer. This proposal and your acceptance will then constitute an agreement in principle with respect to the matters herein contained as of the date hereof.

Agenda Item No. 5 – *New Business*

AMERICAN DISABILITIES ACT

SELF-EVALUATION AND TRANSITION PLAN

RECOMMENDED ACTION:

Adopt the Self-Evaluation and Transition Plan (SETP) prepared by Bureau Veritas.

BACKGROUND:

The Americans with Disabilities Act (ADA) of 1990 is the civil rights statute that prohibits discrimination against people who have disabilities. Title II of the ADA statute addresses the subject of making public services accessible to persons with disabilities. As a necessary step to ensure compliance with the ADA statute, public entities or agencies are required to perform self-evaluations of their current facilities and develop a Transition Plan, to address any deficiencies. The Plan is intended to achieve the following: (1) identify physical obstacles that limit the accessibility of facilities to individuals with disabilities, (2) describe the methods to be used to make the facilities accessible, (3) provide a schedule for making the modifications, and (4) identify the public officials responsible for implementation of the Transition Plan. Although the Housing Authority of Savannah (HAS) had already implemented several corrections to its facilities, revised regulations published by the Department of Justice in 2010 set new accessibility standards that serve as a reference point for entities that, like HAS, aim to make structural changes to existing facilities to meet program requirements. Exceptions to these standards are applicable to historic properties or when actions taken by the public agency to achieve compliance would result in undue financial and administrative burdens.

ANALYSIS:

Physical Needs Assessments (PNAs) conducted in 2023 at the HAS conventional public housing sites identified certain structures in need of alteration for achieving compliance with ADA standards. As result, in August 2023 HAS contracted Bureau Veritas, a nationwide firm specialized in inspection services and accessibility consulting. The partnership with Bureau Veritas resulted in the completion of accessibility inspections in HAS properties, and has led HAS to receive reports containing the contractor's general recommendations.

The next phase of this assessment involved public outreach. In August 2024 HAS sent letters to a total of fourteen groups of strong connection with the disabled community (i.e. United Way, Senior Citizens, FODAC, and EmployAbility, among others), inviting them to participate in a survey and a public hearing that took place on November 6, 2024. The results of the survey and hearing helped Bureau Veritas finalize the [Self-Evaluation and Transition Plan](#) (SETP), presented herein for review and approval. The final SETP was also made available for review by the public in April 2025, with no comments received by HAS.

The Transition Plan is an in-depth evaluation of HAS programs, services, and facilities, prioritizing inclusivity and compliance. The removal of physical barriers to accessibility will occur over the course of several years through a multi-phase strategy, and will be led by the HAS Development and Preservation Department.

LEGAL CONSIDERATIONS:

None

FINANCIAL AND OTHER CONSIDERATIONS:

Accessibility improvement projects have been included in the HAS Capital Fund Five Year Action Plan (2024 – 2028) approved by the HAS Board of Commissioners in January 2024. The first phase of implementation is expected to begin in the Summer of 2025, with Tier 1 (high priority) external improvements slated for Stillwell Towers, Patterson Terrace, and Single Family Homes.

BOARD CONSIDERATION AND ACTION:

The staff recommendation is to adopt Board Resolution No. 06-25-02 adopting the ADA Title II Self-Evaluation and Transition Plan.

RESOLUTION NO. 06-25-02

RESOLUTION OF THE HOUSING AUTHORITY OF SAVANNAH BOARD OF COMMISSIONERS ADOPTING AMERICANS WITH DISABILITIES ACT SELF-EVALUATION AND TRANSITION PLAN

WHEREAS, Title II of the Americans with Disabilities Act (ADA) requires public entities to perform self-evaluations of their facilities to ensure public services are available to persons with disabilities and that a Transition Plan (“Plan”) is developed to address any barriers to their accessibility;

WHEREAS, in August 2023 the Housing Authority of Savannah (“HAS”) contracted Bureau Veritas for performing a comprehensive accessibility evaluation of HAS properties;

WHEREAS, groups of interest and the public in general were invited to provide input to the Plan through surveys and a public hearing;

WHEREAS, the public was offered 30 days to review and provide comments to the final Plan, with no comments received by HAS;

WHEREAS, the Plan forecasts physical barriers to accessibility being removed through a multi-phase strategy prioritizing properties where residents with disabilities are prevalent;

WHEREAS, accessibility improvements have been included in the HAS Capital Fund Five Year Action Plan approved by the U.S. Department of Housing and Urban Development (“HUD”) in November 2024;

WHEREAS, the Plan is considered by HAS to be a living document subject to annual updates as phases are completed;

NOW, THEREFORE, the Board of Commissioners hereby adopt the Plan.

THIS RESOLUTION SHALL BE IN FULL FORCE AND EFFECT FROM AND UPON ITS ADOPTION.

ADOPTED by the Board of Commissioners on this 10th day of June, 2025.

CONTRACT AWARD FOR ACCESSIBILITY IMPROVEMENTS

RECOMMENDED ACTION:

Award contract.

BACKGROUND:

The Housing Authority of Savannah requires the services of a qualified licensed and bonded contractor to provide accessibility improvements at the Stillwell Towers, Patterson Terrace and Single Family Homes sites. This project consists of modifications to sidewalks, curb cuts, crosswalks, parking lots, and pavement, as recommended by the Transition Plan for compliance with architecture standards of the Americans with Disabilities Act (ADA).

An Invitation for Bids (IFB) was published on April 7, 2025, through the Housing Agency Marketplace e-Procurement system. Notices were advertised in the *Savannah Morning News* and *The Savannah Tribune* and posted on the HAS and DODGE websites.

ANALYSIS:

Six hundred forty-seven (647) vendors were notified through the e-Procurement system. Twenty-seven (27) vendors opened and reviewed the IFB documents. Bidders were offered the opportunity to visit the sites at two pre-bid meetings held on the 1st and 22nd of May. Two (2) submissions were received by the deadline on Tuesday, May 27, 2025, at 3:00 pm. The responsive bids are as follows:

Pioneer Construction, Inc.	\$1,272,659.00
True Blue Construction, LLC	\$4,500,000.00

FINANCIAL CONSIDERATIONS:

The lowest bid from Pioneer Construction is aligned with the initial cost estimate for the project. All project costs qualify as capital expenditures and will be funded by HUD Capital Fund grants.

#	Bidder	Amount	(1) Comparison with the top-rated bidder	(2) Comparison with the ICE
	ICE	\$962,285		
1	Pioneer Construction	\$1,272,659		+32%
2	True Blue Construction	\$4,500,000	+254%	+368%

As shown within the preceding, the cost proposed by the top-rated responsive and responsible bidder compares well with (1) the other costs proposed by bidder #2, by 254% (2) it was 32% above our Independent Cost Estimate (ICE) for this project, however included

recommendations to the scope observed during the pre-bid meeting. Hence, the proposed costs are deemed to be appropriate, fair, and reasonable due to market conditions.

BOARD CONSIDERATION AND ACTION:

The Authority recommends that the Board of Commissioners adopt Board Resolution No. 06-25-03 for the award of contract to Pioneer Construction, Inc.

RESOLUTION NO. 06-25-03

**RESOLUTION OF THE HOUSING AUTHORITY OF SAVANNAH BOARD OF COMMISSIONERS
AUTHORIZING THE AWARD OF CONTRACT FOR ACCESSIBILITY IMPROVEMENTS**

WHEREAS, the Housing Authority of Savannah (HAS) requires the services of a qualified General Contractor for providing improvements to sidewalks, curbs, parking lots, crosswalks and pavement at Stillwell Towers, Pickens Patterson Terrace, and Single Family Homes, all conventional public housing sites managed by HAS;

WHEREAS, HAS published an Invitation for Bids (IFB) on April 7, 2025; and

WHEREAS, HAS received two submissions to the IFB; and

WHEREAS, Pioneer Construction was deemed the highest ranked bidder with the lowest bid for the desired services; and

WHEREAS, the contract amount is \$1,272,659 and will be funded by Capital Fund Program grants awarded to HAS;

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners of HAS hereby awards the contract to Pioneer Construction, LLC.

ADOPTED by the Board of Commissioners on this 10th day of June, 2025.
